

Remote seal DP transmitter Exchangeable Flange Adapter

- 1** Reduces plant downtime for emergencies
- 2** Reduces cost for stock
- 3** Reduces space needed for inventory

Features

The flange parts are exchangeable at your site, so you don't need to keep several models of each flange size as emergency stock.

That contributes to

- Reduces plant downtime for emergencies
- Reduces cost for stock
- Reduces space needed for inventory

Flange size

Every flange has drain plugs as a standard feature
